Photo Restoration

We can restore old damaged, faded, and torn photos right in our store. Prices vary according to the degree of restoration necessary and optional services requested. Actual size of original is not an indication of the cost of the restoration. Estimates are based by the hour. If necessary photos can be scanned and returned immediately with a deposit. Original photo is returned as is, safe, and unharmed. Please bring in your photos for a free estimate, and see some examples of this fantastic technology.
